STRONGER SCHOOLS

STRONGER SCHOOLS

- Make **public education affordable** for every Victorian family.
- **Increase resources and support** to students facing disadvantage and their schools.
- Boost funding and support to **students with disability**.
- **Give teachers and schools the tools, training and resources** they need to help all students.
- Give **students a greater voice** in shaping their own education.
- Make sure **every student is healthy, resilient and supported** to participate fully in school.
- **Keep students and families connected** to education.
- **Welcome** and support children and young people **back into education**.

Together we can do this

For Victoria to have **STRONGER SCHOOLS**, our campaign must harness the combined strength of all our networks and communities.

Here are four things you can do today to help support our campaign.

Let's make sure that every Victorian child has a fair start in life.

1. Visit our website and sign the petition at strongerschools.org.au/petition and like our Facebook page at <https://www.facebook.com/strongerschoolsvic/>. Share it with your colleagues, friends, family members, parents and school community.
2. Send a message to the major parties at strongerschools.org.au/sendamessage
3. **Print a 'supporter sign' and write a message describing what stronger schools means to you. Take a photo and post it to social media.**
4. **Introduce yourself. My colleague Daniel and I will be available in the break. We're looking for parents to appear in campaign videos, to meet with MPs and to be champions for stronger schools.**
